- Entrepreneurship

All of our undergraduate degrees from the University of Reading in the UK and in Malaysia are honours degrees.

As a 'destination' business school with a worldwide reputation for excellence, Henley Business School attracts some of the very brightest students.

From day one, you will become part of a great learning community of supportive like-minded people working together in our state-of-the-art dedicated business school complex at the University of Reading Malaysia, located at Eduncity, Iskandar Puteri, Johor.

FASTEST ROUTE TO CHARTERED ACCOUNTANCY

This four year-programme allows you to spend one year in an industrial placement. So by the time you graduate you'll have the technical and professional skills that are immediately transferable to the business environment. This career focused programme provides you with multiple options and pathways to become a Chartered Accountant from any one of the three World Leading Professional Accountancy bodies: ICAEW, AICPA & CIMA, and the ACCA. Furthermore, the 1 year placement is also eligible for a 1 year credit prior to work experience. This is indeed your fastest route to the dynamic, challenging, highly rewarding and stimulating careers in accountancy, business and finance professions.

ICAEW
PARTNER IN
LEARNING

HENLEY-ICAEW PROGRAMME (HIP)

This programme has three unique features that set it apart from any other accounting and finance degree programmes offered anywhere!

1. 1+2 qualifications

- BSc Accounting and Finance
- ICAEW CFAB
- ICAEW BFP designation

2. Work Ready

- Gain hands on experience in the field through the 1 year placement.
- Learn from the very best with placements in the prestigious ICAEW Authorized Training Employers (ATEs) including the "Big 4" professional services firms.
- Cognizance to the ICAEW ethical framework and practice how one would respond to an ethical situation.

3. On Track for ICAEW ACA

- ICAEW paper exemptions.
- Waiver in registration and exemption fees.
- Claimable Credit for Prior Work Experience for the ACA route (1 year placement).

All these translate to students who are already on track to a successful career and ready to dominate the business and financial world!
