

Outstanding Student Experience

Khoo Jing Jia
IFP AY 21/22 graduate

My foundation year at UoRM was truly enriching. The curriculum, along with the support of professors and fellow students, made the transition to university life seamless. I'm grateful for the experiences and friendships I gained during this time.

Alyssa Chan
IFP AY 22/23 graduate

The things that I most enjoy about studying at the university is the environment that UoRM provides because of the abundant resources available in campus and being able to learn from knowledgeable lecturers and seniors.
